

2010 REFERRAL CONTEST

Most consistently our students come to us through a referral from someone they know.

We want to let you know about an ongoing promotion at IHSE to bring new students to our college. Beginning a post secondary education is an exciting time and graduation is a great accomplishment! Do you know someone who would benefit from a college education to further their career? If so, we would like to hear from you! This is your opportunity to open the door to a new future for someone you know who would be a great fit in the human services field.

Refer a friend for one of our programs and we will enter your name to win an Ipod.

Draw Date: September 17th, 2010

If your referral becomes a full or part-time IHSE student you will receive \$150 cash award upon the completion of the new student's first semester!

(Please note that if a student is referred by more than one party, the first referral received will be accepted)

***A referral will only qualify if they have not already contacted IHSE and/or not submitted their application prior to the referral date.**
