

Early Childhood Education Workshops
Antigonish - St. Ninian's Hall

- Nov. 28 **Supporting Children with Physical Limitations in an Inclusive Environment**
9:30 - 12:00 and 1 - 3:30 \$50.00
Children with physical limitations may have difficulty fully integrating in our early childhood programs. This workshop will look at how we, as early childhood educators, can insure that all children are active participants in all aspects of our programs.
Presenter: Jackie Allen, ECE, Special Education Diploma and Program Specialist at the Dr. Jane Norman Child Study Centre
- April 17 **Fetal Alcohol Spectrum**
9 :30 - 12 and 1 -3:30 \$50.00
The presenter will present current information on Fetal Alcohol Spectrum Disorder focussing on diagnosis, developmental outcomes, prevention challenges and intervention suggestions.
Presenter: Diane Laking, MA, IHSE Instructor
- May 8 **Smooth Transitions**
9 - 12 \$30.00
Transitions are often difficult for young children to manage. It is at these times when early childhood educators most often report unwanted behaviours. The presenter will discuss how the Dr. Jane Norman Child Study Centre has found effective solutions to this issue.
Presenter: Jane MacKenzie, ECE and Director of the Dr. Jane Norman Child Study Centre
- June 5 **Movement Activities for Young Children**
9 - 12 \$30.00
This interactive workshop will give participants opportunity to share their experiences around physical activity and young children. In addition the facilitator will provide a suggestions of games and activities and how to make use of the space and resources you have.
Karen MacDougall, ECE Dr. Jane Norman Child Study Centre and Certified Tumblebugs Facilitator

Payment constitutes registration. Spaces will be allotted on a first come first serve basis. If a workshop is cancelled due to insufficient numbers full refunds will be made. Participants may withdraw up to one week prior to delivery date for a refund minus a \$10 processing fee.

Cape Breton Early Childhood Resource Centre Workshops - Spring 2010

- April 10 **Nutrition for Young Children**
9:30 - 12 & 1 -3:30 \$50.00
The facilitator will explore basic nutrition principles based on Canada's Food Guide, important nutrients for healthy growth and development and the importance of establishing healthy eating habits for young children. In addition she will highlight common feeding concerns. Menu planning and nutritional education activities.
Presenter: Angie MacIntyre, BSc, Pdt, IHSE Instructor and Health Promotions Coordinator for Colchester East Hants Health Authority.
- May 8 **The "Green" Theme**
9 - 12 \$30.00
The facilitator will encourage participants to explore the various learning areas within our centres with a focus on the "green" theme. Re-use, re-direct, re-cycle, re-create and re-think what we use and our environmental footprint. A fun and interactive workshop.
Presenter: Lorinta Antonello ECE, Instructor IHSE and Artist
- June 5 **Smooth Transitions**
9 - 12 \$30.00
